Witness to Faith

St Paul's 2017

As the day of resurrection, Sunday is not the only remembrance of a past event; it is a celebration of the living presence in the risen Lord in the midst of his own people. For this presence to be properly proclaimed it is important that the Disciples of Christ, saved as the people of God, come together to express fully the very identity of the Church.

On behalf of Fr Clavin and of all the people in the parish, we wish him well and God's blessing for the future. We hope that with time that he will be able to resume his priestly work.
